About Us

We are a new-age PR agency headquartered in Delhi-NCR and Bangalore with a consistently growing pan-India presence. Our team consists of experienced communication industry experts, Client Servicing Professionals, Content Developers / Strategists & Managers and Crisis Averters and Handlers .

We harbour efficacious media relations and client management toolkits. Our company possesses diverse skill sets such as hardcore PR strategies and media outreach as well as soft skills like content ideation and story development-media pitches.

Our Strengths

- **Cutting-Edge Communication Models**

We foster cutting-edge communication methods and techniques that provide our clients maximum media mileage and traction. In our understanding, Clear-cut Communication is the bedrock of PR Management, and we are here to serve you with the best possible professional communication services to understand and meet your demands and goals.

- **Corporate Reputation Management**

Corporate Reputation is the core and most fundamental aspect of a brand's existence. It is an important component of brand-building exercise. In an era that has been witnessing increased scrutiny, judgements, apocryphal stories, and reporting, Corporate Reputation Management has become an even more critical prerogative of a PR Company. We can assure you that Provocomm possesses the most effective Corporate Reputation Management skills with a dedicated team of seasoned professionals and PR wizards deputed for this task

- **Crisis Management is our Forte**

Crisis is a nightmare for any company, but we are there to manage and control haywire crisis situations. Crisis Containment and Neutralisation is one of our pioneering tools. We help brands avert major and minor crises happenings which empowers brand reputation and sustainability.

- **Digital and Social Media Marketing**

The world has gone digital, and so have we. Provocomm has a digital wing with professionals and creative think tanks acing and offering superb digital and social media marketing campaigns, innovative ideas, and action plans for brands to augment their reach, visibility, and impact.

Why US?

- **The client is our first and foremost Priority-** We value our clients and understand their needs. Their vision, inputs, and suggestions are important to us. At Provocomm, we are fully dedicated to our clients and aim to deliver competent work results for which they hired us.
- **Strategic Content is King-** Content Creation is the most important step for brands to get recognised and published across diverse media circuits. We have a separate Content team to develop story ideas, produce long-form and short-form content like press releases, articles, and relevant stories for our clients and provide them with the best quality and strategic content deliverables on a monthly basis.

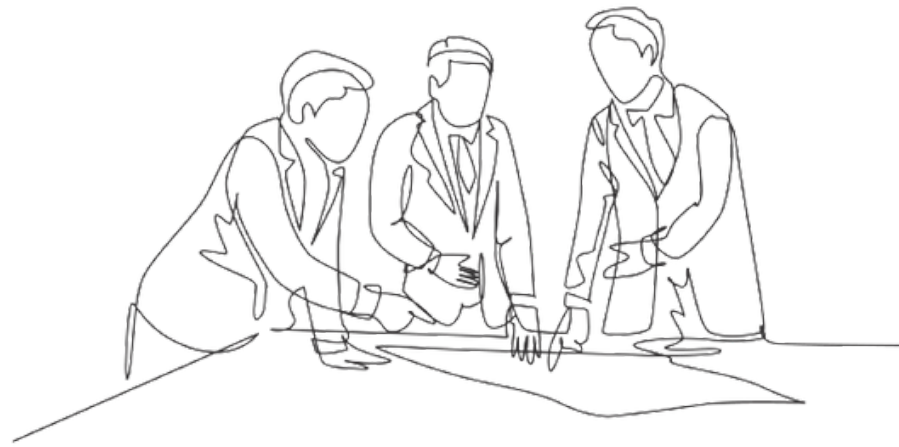

Why US?

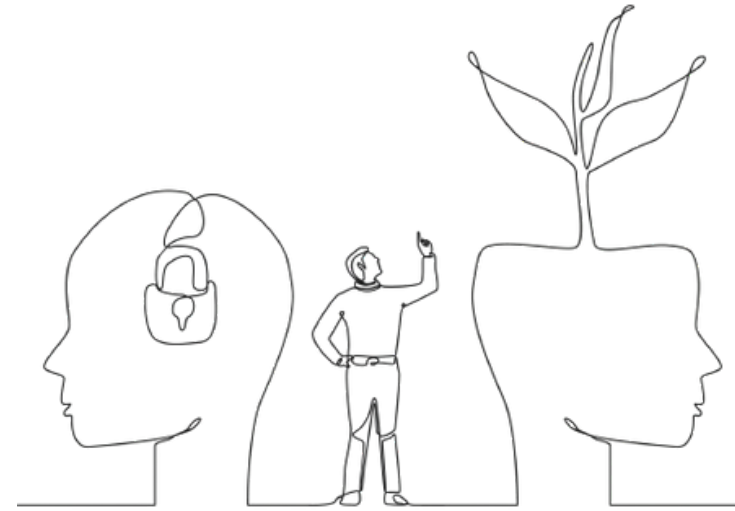

- **Highly-Qualified PR & Communication Experts** - Our team is a robust combination of sagacious and experienced professionals as well as dynamic, young blood. Going by an aphorism, 'The right mixture of talent always brings out the desirable results', Provocomm has the best-performing PR team who has practical experience as well as knowledge to give our clients with tall-order media clout and recognition.
- **When you are in Crisis, we are at work-** Strong Networking and Media Engagement allow Provocomm to help our clients control any crisis event or situation through well-oiled strategies and methods
